## A MODERN CLASSIC

Having hosted top politicians and society types for nearly a century, landmark Washington hotel the **Fairfax at Embassy Row** is ushering in a new era with a Rockwell Group refresh to the property's communal atmosphere. The new sleek and convivial feel matches the clientele who crave luxury as well as

flexibility. Defining the classic-contemporary aesthetic is expansive, light-filled space, a neutral palette featuring hits of emerald green and warm wood, and a beautifully reconceptualized reception, lobby and dining venues. The transformation? New. The hotel? Timeless. *2100 Massachusetts Ave. NW, DC, [fairfaxhoteldc.com](http://fairfaxhoteldc.com) -JT*
